

Users can obtain the free [application](#) in the Apple® App Store.

The image shows the App Store listing for Skyward Mobile Access. On the left is the app icon, a blue square with white curved lines and the word "SKYWARD" in white. Below the icon is a "View In iTunes" button and a note that the app is designed for both iPhone and iPad. The app is free, categorized under Education, and was released on Feb 21, 2012. It has a size of 8.6 MB and is in English. The seller is Skyward Inc. The app is rated 4+.

The "Description" section states: "Skyward Mobile Access provides intuitive access for students, parents, and school staff that currently use Skyward's Family Access, Student Access, or Employee Access. Skyward Mobile Access will automatically locate your district and take you instantly to your vital information such as grades, attendance, discipline, payroll, time off, and more!"

Below the description are two screenshots. The first screenshot, taken at 9:53 AM, shows the app's main menu with options: Educator Access Plus, Employee Access, Financial Management, My Print Queue, Product Setup, and Student Management. The second screenshot, taken at 12:50 PM, shows the "Find School District" screen with a welcome message and three options: "Find By Current Location / GPS", "Find By Zip", and "Find By Name".

Skyward recommends using Find By Current Location/GPS. Only districts that have opted in will display. You will then select your school district and log in with your credentials. The first time you log in you will be prompted to set up a 4 digit PIN for extra security. Your selection will be retained for the next session.

Once logged in, you will be able to access information pertaining to your student's Schedule, Grades, Attendance and more
