Definitions

Transition: equivalent to passing time during on site learning. Students will have time to transition and prepare for their next class.

Student Contact: This will be an opportunity for students to work individually or in small groups to receive extra assistance or progress on a current assignment. This time is not dedicated to a specific class, students and/or teachers may identify specific classes to work on each day.

Intervention: This time is designated to provide support for students who need additional assistance in any class. Students and/or teachers may request intervention time for a specific class or group.

HS and Beyond: This time is dedicated to our district wide High School and Beyond Plan.

Independent/Directed Learning: Time for students to have independent learning, or directed learning as instructed by a teacher.
